18: Lab 18 - Assisted - Understanding security baselines
Security+ (Exam SY0-701)

9/9

Congratulations, you passed!

Duration: 14 minutes, 25 seconds

☑ Which of the following are headings or section titles in the security policy document from the SANS organization? (Select all that apply)   *Score: 1*

- ☑ Overview
- ☑ Purpose
- ☑ Scope
- ☑ Policy
- ☑ Policy Compliance
- ☑ Revision History
- ☐ Redactions

Congratulations, you have answered the question correctly.

☑ The Server Security Policy references two other policies related to this policy document's concepts. What are those two other policies?   *Score: 1*

- ☑ Audit Policy
- ☑ DMZ Equipment Policy
- ☐ Software Installation Policy
- ☐ Password Protection Policy
- ☐ Wireless Communication Policy

Congratulations, you have answered the question correctly.

☑ The Microsoft Windows Server benchmarks are available for a wide range of versions of this OS. Which of the following are included on the list at CIS?   *Score: 1*

- ☑ Microsoft Windows Server 2003
- ☑ Microsoft Windows Server 2008
- ☑ Microsoft Windows Server 2022
- ☑ Microsoft Windows Server 2019
- ☑ Microsoft Windows Server 2016

Congratulations, you have answered the question correctly.

☑ CIS Benchmarks are available for which of the following products?   *Score: 1*

    ☑ Amazon Web Services
    ☑ Apple iOS
    ☑ Docker
    ☑ NGINX
    ☑ pfSense Firewall
    ☑ Zoom

Congratulations, you have answered the question correctly.

☑ Which of the following is not a Category of Security Policy Templates from the SANS website?   *Score: 1*

    ○ Retired
    ○ Incident Handling
    ○ Application Security
    ◉ IoT and ICS Security

Congratulations, you have answered the question correctly.

☑ Which of the following is a category of Benchmark from CIS?   *Score: 1*

    ◉ DevSecOps Tools
    ○ IoT devices
    ○ Edge computing
    ○ Imbedded systems
    ○ Static OS solutions

Congratulations, you have answered the question correctly.

☑ Once a security template, baseline, or benchmark has been obtained from a third-party, what tasks are your responsibility? (Select two)   *Score: 1*

    ☐ Public dissemination
    ☑ Scoping to your business objectives
    ☑ Tailoring to your system functions
    ☐ Providing support documentation

Congratulations, you have answered the question correctly.

☑ Network security baselines describe a set of minimum security controls and configurations for a network. They provide a starting point for the hardening process.   *Score: 1*

    ◉ True
    ○ False

Congratulations, you have answered the question correctly.

☑ Center for Internet Security (CIS) Benchmarks can be applied directly to production systems for optimal security compliance.

○ **False**

○ True

Congratulations, you have answered the question correctly.
